TREASURES FROM OUR TRADITION

Monday of this week is Christmas Day in Russia and in much of the Orthodox world. This curious difference in schedule has a lot to do with how calendars have been developed and changed over the years. In the year 45 B.C. Julius Ceasar gave the empire his Julian Calendar, with the winter solstice on January 6. This put an end to a system in which officials called "pontiffs" were able to tweak the calendar by adding extra days in as needed. He invented two new months at that time, December and January; and in order to correct the mess the pontiffs had made, forced a year of 445 days on the empire in what he named "The Last Year of Confusion." The new months varied in number of days according to a complex schedule, but the calendar was still off by nearly twelve minutes a year, and lost a full day every 130 years.

Pope Gregory XIII reformed the calendar in 1583, but not everyone appreciated his efforts. England held out for two hundred years. The year 1700 was a leap year in England, but not in France; they were eleven days apart! George Washington was really born on February 11; when the Gregorian calendar was finally adopted in the English colonies shortly before the Revolution, he had to move his birthday to February 22. Now the calendars are thirteen days apart, which accounts for Russia's Julian calendar Christmas. And Caesar thought he had brought confusion to an end!

During this weekend, each couple will have the opportunity to explore their strengths and weaknesses, their goals and their attitudes toward

family life, children, sexuality, finances, the church and their place in society.

The Engaged Encounter weekend satisfies the Diocese of Jackson requirements for marriage preparation.

Engaged Encounter weekends in 2019 are:

January 25-27	March 8-10
July 12-14	October 18-20

Please call the church office for additional information.

TRAVEL TO IRELAND, SCOTLAND & ENGLAND

Cara Travel Group and Father O'Connor have announced another trip to Ireland, N. Ireland, Scotland and England for July 2019. An earlier trip filled very quickly; and this second trip, similar to the earlier trip, will accommodate those on the 'waiting list' from the earlier trip and additional individuals up to a total of 35 individuals.

This new trip will be July 8-18 and will include luxury air conditioned coach, 9 nights, professional guide, and four star hotels. Cara Travel is in the process of arranging all the details. For information or reservation, please contact CARA Travel, 617 639-0273 or email: info@caragrouptravel.com

The Crypt of St. Mary Basilica, located downstairs in St. Therese Hall beneath the altar area of the Basilica, is now restored and available for tour by committee or special groups. We encourage the chairman of each commission and committee or interested group to contact the parish office to set up an appointment for a guide from the archive committee. Possibly the commission or committee could conduct their meeting in St. Therese Hall for the occasion.

Come see where the second bishop of the Diocese of Jackson was buried for twenty years and see Bishop Chanche's High Altar reduced in size for installation in St. Therese Hall. Also, you can see the burial chamber for the remains of the Spanish cemetery on which the church is built. The history of your church awaits your interest!

Respectfully,
J. Guercio, Chairman for St. Mary Basilica Archives (SMBA)
