TREASURES FROM OUR TRADITION

One of our great treasures is the way the Church has frequently flourished under unfavorable conditions, like the grape ivy on the mantel that refuses to die no matter how infrequently you water it or open the drapes. Like the apartheid laws in South Africa in the last century, the penal laws of Ireland were aimed at depriving the majority population of basic human rights. The Protestant parliament of Ireland enacted laws limiting the practice of Catholicism. The goal was to force conversion from “popery” to the Church of Ireland, and additional laws took aim at Jews, non-Anglicans, and Quakers.

There were laws against intermarriage, laws against Catholics being lawyers (there was a one-hundred-pound fine), a law granting lifelong income to priests who became Protestant, and a ban on weapons. In fact, until 1793, a Catholic man had to recruit and pay a Protestant man to serve in the local militia in his place! As if family life is not complicated enough in any age, the sons of a deceased father could divide his land equally, unless one became Protestant. In that case all would go to him! When allowed, new Catholic churches had to be built of wood, not stone, be off a main road or city square, have no steeple or bell, and be called a “chapel.” Catholic “Emancipation” was largely secured by 1829, but even up to the founding of the Irish State in the 1920s, some effects of the laws endured. No wonder that poor Irish immigrants to the United States frequently built gloriously beautiful churches as their first act on free soil! —Rev. James Field, Copyright © J. S. Paluch Co.

OUR LADY OF FATIMA

The Shrine of Our Lady of Fatima is one of the most famous shrines in the world honoring Mary. Each year some four million people visit Fatima, drawn by apparitions of the Virgin Mary reported by three local shepherd children in 1917. On the 13th of each month from May to October, Mary is said to have appeared in the fields outside the village of Aljustrel near

Fatima to the children Lucia dos Santos, age 10; her cousin Jacinta, age 7; and her cousin Francisco Marto, age 9.

On the last visit, a crowd of 70,000 people, including reporters from anti-religious newspapers, gathered in a torrential rainstorm to witness the scheduled arrival of the Virgin Mary, which led to the famous Sun Miracle of Fatima. Around noon, many of the observers testified they saw wondrous things in the heavens; the rain clouds parted, the "sky opened up" and the sun seemed to spin in the sky, change colors, or go completely dark for several minutes, before appearing to plunge towards the earth.

In commemorating the 101st anniversary of this event, you are invited to join in saying the Rosary at noon on Saturday, October 13, at Basilica Park (the empty lot across Rankin Street from the Family Life Center).

We will be joining Catholics from around the world in doing so at that time.

STEWARDSHIP REFLECTION: RESOLUTIONS

Each year, people throughout the world make New Year's resolutions. For many, these resolutions are short lived and quickly forgotten. At our Baptism and Confirmation, we made New Life resolutions. Our baptismal promises are lifelong commitments to Jesus and the Church.

We recognize that all that we possess comes from God. We are God's stewards. We have been empowered to manage the abundant gifts that we have received.

As "good stewards," it is our responsibility to give back a portion of the time, talent and treasure we receive from our generous and loving God. Let us recommit ourselves to the Lord by taking the time to plan. Let us make stewardship of time and talent part of our lifestyle, and stewardship of treasure part of our budget.

"Each must do as already determined, without sadness or compulsion, for God loves a cheerful giver." (2 Corinthians 9:7)

STEWARDSHIP APPEAL UPDATE

Follow-up letters from **St. Mary Basilica Parish** will be mailed to all households from whom we have not yet received a response to our Stewardship Appeal. Please respond as soon as you are able by placing your intention card in the collection basket.

October is *Respect Life* Month. Help put an END to Human Trafficking.

Human trafficking attacks the sanctity of human life. As Pope Francis has said: "*Human trafficking is an open wound on [our] society, [it is] a scourge upon the Body of Christ*" (April, 2014).

Did you know...

"Human trafficking" is a modern term for SLAVERY – usually seen in the form of sexual exploitation or forced labor. It is a multi-billion dollar criminal industry that uses human beings for profit from the control and exploitation of people. There is an estimated 40.3 million victims of human trafficking globally. An estimated 400,000 people in the U.S. live in conditions of modern slavery on any given day, including coerced labor, sexual servitude, and forced marriage. Human trafficking is not just overseas in 3rd world countries – it happens right here at home in *our communities*.

Learn, Pray, Take Action...

Learn the signs of trafficking and report suspicious activity (<https://polarisproject.org/human-trafficking/recognize-signs>)

Pray for the safety of trafficked victims and that the exploiters' actions will be thwarted.

Check the Catholic Charities website www.catholiccharitiesjackson.org for resources or email psm@ccjackson.org for information about how you can host or lead a "raise awareness" event.

PLEASE READ:

EVERYONE AGE 21 and OLDER NEEDS TO REGISTER FOR CHURCH MEMBERSHIP AT ST. MARY and UPDATE ANY INFORMATION

Please remember, children are considered members of our parish with their parents until they turn 21 years old. Once they are 21, it is their responsibility to register as members of St. Mary independent of their parents. This is very important when they may want to participate in a sacrament such as Matrimony or Baptism of children.

Also, if you have moved to a different address, if you no longer have a land-line phone number, if you have a new phone number, or if you have a new email address, please call the church office (601-445-5616) and give us your updated information. We would really appreciate this information so that our data files will be accurate and up-to-date, especially for our new directory which will be sent to press this coming week.

ST. MARY BASILICA HEALING HANDS MINISTRY

Healing Hands Ministry seeks to minister to the mind, body and soul through hand crafts. The positive atmosphere associated with creativity and fellowship is beneficial and healing. One crucial by-product of this ministry is that its members produce and/or donate items for various charities. Over the centuries, the art of fellowship and artisan discovery in all parts of the world have united people, and a healing effect has occurred. It is our wish to continue this art, sharing the healing joys associated with various hand crafts.

Everyone who enjoys handwork of any kind is welcome to join the group. Handwork includes crocheting, knitting, quilting, needlepoint, woodworking, rosary making, painting, drawing and any other creative works.

Healing Hands usually meets the first Sunday of the month from 2:00-4:00 pm in the O'Connor Family Life Center. Membership is free. Participants are invited to bring a snack to share with the group at each meeting. Men and women are invited. Due to the Cathedral Fall Festival this Sunday, October 7, we will next meet **Sunday, October 14, at 2:00 pm in the FLC. PLEASE JOIN US ON OCT. 14!**
