WELCOME FROM FATHER AARON WILLIAMS, RECTOR and PASTOR

Dear Parishioner,

Welcome to Saint Mary Basilica in the name of our Lord Jesus Christ.

Our parish was established in 1841 by Bishop John J. Chance, S.S., when he arrived in Natchez as the first Catholic bishop in Mississippi. Today, the parish has over 600 registered families. The role of the Catholic parish is primarily the salvation of souls through the ministry of the sacraments, the worship of Almighty God, and the preaching of the gospel message. In our day, Saint Mary serves the Natchez community in a variety of ways, many of which are outlined in this packet.

In 1847, Catholic Education began to be offered in Natchez under the direction of the Daughters of Charity. They served in Natchez for 166 years until 2003. Cathedral School stands today as a testament to those beginnings, offering a complete program of education from pre-school through grade twelve. We hope that all our parishioners feel welcome to enroll their children in our school, even when parents may not find themselves able to afford the full tuition.

We are thankful for the many ways in which Almighty God has blessed this parish and its community, and we are grateful for your interest in our parish. I hope you find a spiritual home with us here at Saint Mary.

Yours sincerely in Christ,

Very Rev. Aaron M. Williams
Rector

EDUCATION, CATHEDRAL SCHOOL, PRE-12

Cathedral School was established in 1847 and has remained in continuous operation for 156 years. The school was originally staffed by the Daughters of Charity. Throughout the years, many religious women, brothers and priests have ministered to the youth of Natchez. In more modern times, lay teachers have added their ministry to the education program at Cathedral. Many of the staff are Cathedral graduates. Dr. John Jordan became the first lay Administrator of Cathedral School in 1983. Cathedral School is the oldest continually operating school in the State of Mississippi and one of the oldest in the United States. Cathedral has an enviable reputation in the community.

St. Mary Parish generously subsidizes Cathedral School and carries out most of its educational ministry through the school. Today the enrollment, pre-school through grade 12 is 612. Because many of the students are non-Catholic, the school touches the lives of students of other faiths.

There is a very close working relationship between parish and school. A retreat program is provided for all junior high and high school students. A very effective religious education program is offered. Second grade teachers are involved in sacramental preparation for First Reconciliation and First Communion.

Cathedral School is fully accredited by the Mid-South Association of Independent Schools and Cognia.

SACRAMENTAL PREPARATION

To experience the full graces of the sacraments requires the proper disposition of the recipient. The more we know and understand God's ways of working in our lives, the better the sacraments are able to express God's presence to us. Our faith states that the sacraments cause and celebrate that relationship.

The goal of the Basilica's faith formation program is to assist in the growth of each Catholic's faith. Instruction for the reception of the sacraments is a serious commitment for the entire parish.

Beginning with baptism, the parents of a newborn are supported and prayed for in their decision to raise their child as a Catholic. The preparation for the parent involves meeting with a priest and discussing their faith and how to pass that faith on to their child. Cathedral School assists St. Mary in preparing second graders for the Sacrament of Penance and First Holy Communion. Parents of children who do not attend Cathedral should contact the parish office.

The Confirmation classes are offered beginning in September.

All those receiving the Sacrament of Matrimony at St. Mary must complete and attend the Engaged Encounter Retreat and the FOCCUS questionnaire.

The RCIA program presents Catholic beliefs to persons interested in joining the Catholic Church and to Catholics who want a good update.

MISSION STATEMENT

We propose to live in such a way that we proclaim the Kingdom of God, the Good News of Jesus Christ, by our own ongoing conversion and by the witness of an authentic Christian life lived according to the tradition of the Roman Catholic Church.

We, the members of the St. Mary Basilica, Natchez, MS, are committed to building a community of worship and prayer. Through the waters of baptism and the indwelling of the Holy Spirit we have been incorporated into the Body of Christ.

In order to further the Kingdom of God which Jesus preached, we gain strength from the sacraments, hope from the Scriptures and wisdom from the tradition of the Catholic Church.

We, the members of St. Mary Basilica have a mission

- ~to create a community of worship and prayer,
- ~to proclaim the Word of God for all its members and to put that word into action through programs and services,
- ~to minister to the spiritual, intellectual, physical, emotional and social needs of parishioners,
- ~to encourage and aid members to model their lives on the teaching of Jesus and promote Gospel values,
- ~to be a witness to the larger community by offering an example of lived Christianity,
- ~to provide opportunities for every person to grow in their understanding of the church,
- ~to encourage the Natchez community to develop a cooperative spirit and a Christian vision,
- ~to reach out to those in need, those who are hurting and lonely, the elderly, the young, parents, and those who might have lost faith.

Keeping before us the command of Jesus to love one another, we forgive, heal, and grow in love with those who have harmed us and those who have hurt us. We strive to build an equitable society where peace and justice are the rule of the day.

SACRED LITURGY

Liturgies at St. Mary are well-prepared, carefully practiced, and prayerfully conducted. The liturgy is the offered public worship of the Church where the members of Christ's Body come together to witness the presence of Christ in Word and Sacrament. The liturgy is the source and the summit of the Christian faith.

As you have just moved to St. Mary Parish, the liturgy is able to move you along your spiritual journey. For an offering of contrition and petition, praise and thanksgiving to be made to God, full of active participation of all the faithful is needed. The Eucharist is at the center of our Catholic faith. The Sunday celebration of the Eucharist is a minimal requirement for Catholics. Weekday Masses are celebrated daily. Since the church is open daily, there is time for private devotion, making a visit or praying before the Eucharist.

If you are interested in liturgy and able to commit your time and effort to help prepare our liturgy, perhaps you would be interested in joining the Liturgy Commission.

If you have a particular gift to share with God's people, perhaps you would like to serve in the following liturgical ministries:

Lector

Server (youth and adults who have made their First Communion)

Extraordinary Ministers of Holy Communion

Usher

Musician

HISTORY OF ST. MARY

Catholicism arrived in Natchez in the 17th century with the Spanish explorers. In 1682 Mass was offered for the first time in Fort Adams, just south of Natchez. In 1722 the French colony in Natchez received its first priest. More than a century later, in 1837, Natchez was established as a Catholic Diocese.

The first bishop, the Most Reverend John Joseph Chanche, arrived in 1841 and immediately began the construction of the Cathedral of Our Lady of Sorrows in 1842. The cathedral was dedicated and the first Mass was celebrated on Christmas Day, 1843. The Diocese of Natchez experienced many financial difficulties in completing the construction of the Cathedral of Our Lady of Sorrows before it was finally consecrated on September 19, 1886. The Sesquicentennial of the First Mass and Dedication was celebrated on January 2, 1994. The church served as the cathedral for the Diocese of Natchez from 1843 to 1977 at which time the cathedral was moved to Jackson. On September 25, 1999, the church became St. Mary Basilica.

Today, St. Mary Basilica, built on the bluff of Natchez, strives to be a “city built on a hill.” The liturgy prayerfully conducted and works of service to the community remain central to the expression of our Catholic faith.

Cathedral School, established in 1847, has always been a part of the Catholic experience in Natchez. The school continues today to prepare young people for life with its stress on the teaching of the Catholic faith and moral values while maintaining high academic standards.

Lay involvement in the church and the school gives witness to the fact that all members of Christ’s Body should be actively engaged in spreading the Good News.

STEWARDSHIP

Lord, when did we see you hungry and feed you, or thirsty and give you a drink? And when did we see you a stranger and welcome you, or naked and clothe you? and when did we see you sick or in prison and visit you?... “Truly, I say to you, as you did it to one of the least of these my brethren, you did it to me...”
Matthew 25:34-40

Jesus speaks clearly about how we are to give: generously, completely, quietly and with love, even when it is difficult. When we share our gifts and material wealth we are sharing ourselves. St. Francis, in his Peace Prayer says, “it is in giving that we receive.” Mother Teresa has said that people are our means to give to God.

St. Mary includes in its operational budget support of Catholic Charities; Cathedral School; Holy Family School; the Community Stewpot; Habitat for Humanity; our mission in Saltillo, Mexico; and the work of the parish commissions.

We annually take up second collections for Black and Native Americans, Aid to the Church in Eastern Europe, Catholic , Diocesan Missions, the Campaign for Human Development, Support of Retired Religious and for othOverseas Relief, the Holy Land, Catholic University, the Extension Society, Peter’s Pence, and the Propagation of Faith. Support for these collections is most generous.

The parish supports diocesan collections, especially the Catholic Service Appeal on the first Sunday in May which dedicates its funds to Catholic Charities, Mississippi Missions, Priests’ Retirement, and other needs of the diocese.

The Catholic church depends on your generosity to carry out Christ’s mission. In addition to financial support, it is the giving of yourself to God that makes an acceptable gift. This includes your time, your talents, your support and energy, and your prayers for the work of the Church. Self-giving involves a fidelity to truth even when its difficult. “He who believes in me will also do the works that I do,” said Jesus (John 14:12). There are gifts to be given to individuals and to society, for example, in overcoming racism, consumerism, and the abuse of drugs, alcohol or gambling. To do these works is to do the works of Jesus today.

FOR OUR CHILDREN

NURSERY

A nursery is available behind the kitchen in St. Theresa Hall for infants through 5 yrs old. Mrs. Suzie Vaughn is director of the nursery. The nursery is open during Adult Sunday School and during the 10:00 am Sunday Mass. It is also available during certain other parish activities. Those times are announced with the activity announcement and may include older children as needed.

CATECHESIS OF THE GOOD SHEPHERD

The Catechesis of the Good Shepherd is an approach to the religious formation of Children ages 3-12 that is rooted in the Bible, the liturgy of the Church, and the educational principles of Maria Montessori. Divided into three age “levels”, it is based on the belief that young children can and do experience God. Children gather in an “atrium”, a prepared space containing simple yet beautiful materials that they use to explore and reflect on scripture, prayer, church history and liturgical events. Catechesis of the Good Shepherd is offered on Wednesday afternoons from 4:00 –5:15 p.m. in St. Theresa Hall and at other specific times as announced. Mrs. Lisa Ward is catechist. Ask for a tour of the Atrium.

ST. MARY KIDS

St. Mary Children is for children PreK-2nd grade. They meet once a month following the Wednesday night dinner.

KCYO

KCYO is for youth in 3rd, 4th, and 5th grades. It usually meets on Sunday afternoons.

JCYO

JCYO is the younger group of our Catholic Youth Organization. Members are 6th, 7th and 8th grade. JCYO meets on Sunday afternoons in O’Connor Family Life Center.

CYO

CYO is comprised of students 9th through 12th grades. CYO meets on Sunday evenings in the O’Connor Family Life Center.

Youth do not have to be students at Cathedral School to participate in our youth activities.

**ADULTS WHO WISH TO VOLUNTEER IN ANY AREA OF YOUTH WORK MAY
CALL RUTH POWERS AT THE CHURCH OFFICE AT 601 445-5616.**

The Catechesis of the Good Shepherd

The Catechesis of the Good Shepherd is the response to the hunger of the child who wants to be close to God. Rooted in scripture and liturgy, the curriculum is structured so that it accommodates and nurtures the faith, moral, and psychological states of the child's growth. Catechesis of the Good Shepherd is offered on Wednesdays during the school year from 4:00 – 5:00 p.m. in the Atrium in St. Theresa Hall. It is best to consider this program as a multi-year commitment since each session builds on previous sessions and each year builds on the child's experiences the previous year.

The Atrium

The environment, known as the atrium, is a special setting, child-sized and beautiful, where the child may come to know and enjoy the presence of God in his or her life. This place has often been described as a peaceful, prayerful experience for the child.

The Curriculum

Because children respond in the same way to elements of the Christian message, the core curriculum includes the following.

- ✘ COVENANT...the celebration of our relationship with God and with all people.
- ✘ CHRISTOLOGY...the study of Jesus.
- ✘ LITURGY...the language of "signs" as a vital aspect of our worship.
- ✘ SACRAMENTS...gestures and words that help us on our life's journey and join us together with God and other people through Jesus.

These themes are offered in such a way as to develop the religious potential present in every child...the capacity to love and be loved.

History

The Catechesis of the Good Shepherd originated in 1954 in Rome, Italy. Inspired by Montessori principles of education, this program can be found in many areas such as Africa, South America, Brazil, Colombia, and Argentina, Chad, Mexico, Australia, Canada, and the United States. Atriums can be found in homes, churches, and schools.

The program runs from approximately September through May. Please check the church bulletin for upcoming registration dates. A reminder mailing will be sent to registered parishioners.

For further information or to become involved as a volunteer please contact Lisa Ward (601-442-6201).
